WHAT'S HAPPENING

Named after Arthur Erickson's *twisting tower*, the theme puts a turn on everything.

Nothing is quite as it appears. A culinary twist at the table, and cocktails with a twist of citrus. A plot twist takes place mid-afternoon to keep you on your toes. Paradox Hotel takes you through an elaborate journey of space, atmosphere, sound and food.

Designed for those who plan corporate events, this full-day experience offers immersive talks, innovative culinary tastings, two rounds of our traditional 8-minute meetings with suppliers, and the most elaborate prize draw in recent history.
