VENUE SERIES

Connecting event planners with destinations, venues, and services.

The Venue Series attracts qualified meeting and event planners by offering highly creative engagements with destinations, venues and services. By invitation only, we carefully curate a guest list that includes corporate and association event planners, DMC's, site selection firms, agencies, and independent planners.

Our attendees are seeking venues and services for everything from small board retreats and client events, to large trade shows and conventions. As a vendor, you'll have the opportunity to meet face-to-face with qualified buyers.

Reconnect with clients, engage with new prospects, and book new business in a concise and curated program.
